LOBSTER
— SIDLESHAM —

A Stylish Waterside Hideaway

Nestling on the banks of Pagham Harbour Nature Reserve the 350 year old Crab & Lobster has recently been renovated creating one of the most stunning hideaways on the South Coast.

With a comfortable blend of old and new the atmosphere is relaxed, informal, individual and just a short drive from Chichester and all that the city has to offer.

The focus of the bedrooms is comfort - all rooms just ooze style, finished in restful pastel shades with furniture, fittings and fabrics to suit every eye. And fresh flowers to suit the nose!

The deluxe rooms have superb views over fields and sea, with binoculars and a telescope for you to focus.

The restaurant successfully combines excellent service and presentation, stylish décor and friendly ambience with food of the highest quality.

The menu is sourced from local producers – Selsey fishermen, neighbouring dairy farmers and Sidlesham beekeepers for honey at breakfast.

With an adventurous emphasis on fresh fish and of course crab and lobster! There are also traditional English and Mediterranean dishes to tempt the taste buds and thrill the palate.

The fabulous wine list has delightfully wordy descriptions, with 17 classics by the glass to help you choose – some you will know and many you've yet to discover.

If you wish to dine alfresco the terrace and the beer garden have beautiful views of the countryside.

The Crab & Lobster is a gem of a place perfect for those seeking a romantic or relaxing escape.
